Registration Instructions for Students, Faculty and Rotarians

Welcome to the 2010 Interact Convention

District 5000 Rotary is pleased to welcome you to the District 5000 2010 Interact Convention. Rotary International has celebrated 100 years of service around the world and looks forward to the next 100 years with the support of the Interact Clubs. Although the Rotary celebrations have passed, we look forward to celebrating the 48th anniversary of Interact Clubs on October 28, 2010. The work of Interact Clubs has made a great difference both here in Hawaii and around the world. We are very happy you have chosen to attend the convention and hope that the convention provides an opportunity for you to meet other club members from across the state to establish new friendships and associations for your club.

Please take a moment to read the following instructions on completing the registration information for the convention.

Incomplete information may result in a delay or inability to register you for the convention.

The room and convention registration form should be received by February 10, 2010. We are expecting a large group at the convention and this will allow us to obtain additional hotel rooms and facilities if necessary. If you cannot register by this date, please let us know prior to the date so that we can work with you to accommodate your registration at the convention. The registration information that should be returned with your check payment for the convention is the Registration Form, Medical Information & Parent/Guardian Consent form, and Interact Convention Rules and Regulations. Please keep a copy for your records.

Students, Faculty and Rotarians must complete the name, address, phone and email contact information, Interact club name and registrant information (Interactor, Faculty Advisor or Rotarian). In order to facilitate the assignment of rooms, students should complete the gender designation in addition to the other information.

Interact club members, Faculty Advisors or Rotarians who cannot attend the convention may register for only the Reception/Mixer on Friday Evening February 26. There is no charge for this event. However if you plan to attend this event, you must complete the registration information and forward it to the address shown on the Registration Information page of this document. Please place a mark on the line next to this event so we will know you plan to attend. Completion of the registration information will provide us with information on the number of attendees as well as the Interact and Rotary clubs represented at the event.

Room rates are provided for quadruple. Please keep in mind that all room rates for Friday and Saturday night are per person. Convention registration fee which includes meals, scheduled ground transportation, portage, and other convention costs are separate. Hotel parking is not included. If other room arrangements are desired by Students, Faculty Advisors or Rotarians, please contact Claude Thompson, 808 781-7404, or email claudethompson@hawaii.rr.com.

Attendees should enter the appropriate fees for the days selected and place the total on the "Total Fees due for Interact Convention." A check for this amount should be made payable to the "2010 Interact Convention" and mailed to the address shown on the Registration Form.

This year we have provided the option of selecting one or more roommates for the convention. If you wish to room with a particular student, please list their name in the space provided on the Registration Form. We will try to accommodate all roommate requests depending on the space available. The sooner we receive your registration form, the more likely it will be that we can accommodate your roommate.

If you will need scheduled transportation from airport to the hotel, you will need to complete the airline information on the registration. You will be contacted with the transportation schedule.
