

# Rotary International District 5000

District Governor George Fontaine  
2007-2008

January 25, 2008

**Aloha Community Supporter!!** Once again Rotarians throughout Hawaii will be gathering at the District 5000 Conference to celebrate **a year of outstanding giving to our own Hawaii communities and to people in need around the world.** Fostering unity and strengthening the work of Rotary, this conference is a time for sharing project results, recharging the spirit of Rotary, and setting up the coming Rotarian year for new projects and giving.

**We are asking for your help as a Conference Sponsor** to make this year's District 5000 Conference the best ever, and in turn help our Hawaii Rotarians continue their outstanding work.

So who are these Rotarians? They are our own community and business leaders from all walks and vocations in Hawaii. Their one common theme is an overwhelming desire to help others in need. In Hawaii there are 43 Rotary Clubs covering 4 islands, Oahu, Maui, Hawaii and Kauai, **with over 2,200 members who will be invited to attend this conference.** Locally they feed the hungry, adopt families in need, provide medical supplies and assistance where needed, build and upgrade parks and public areas, promote education through gifts of books, dictionaries, and supplies, assist children to read, and support all manner of local community projects. Globally they bring clean water where none previously existed, provide medical assistance and equipment to those who previously were living in despair, create opportunities for literacy where there was none, and have a passion for ridding the world of polio.

An average Hawaii Rotarian will personally donate over \$1,500 and over 200 hours of their valuable time each year for the direct benefit of others. Last year with matching grants and Rotarian fundraising donations over \$357,669.00 was spent by District 5000 Clubs on projects which dramatically improved the lives of children and families around the world; and an additional over \$64,000 plus hundreds of thousands of donated hours were given for all manner of local projects right here at home in turn making our Hawaii a better place. It is easy see the impact Rotarians have in Hawaii.

**YOU CAN HELP in the continuation of this important work both here and around the world.** The District 5000 Conference will be held this year from May 23<sup>rd</sup> to 26<sup>th</sup> at the Wailea Beach Marriott Resort on Maui. Rotarians throughout Hawaii will be in attendance and **we invite you to join us!**

**Please complete and mail the enclosed sponsor sheet** and let us know what level you will support this worthwhile event. Your donation will foster the continuation of the great work by Hawaii Rotarians while assuring a bright future for those in need. If you have any questions about the conference or any questions about Rotary, please call (808) 280-5231 or visit us online at [www.rotaryd5000.org](http://www.rotaryd5000.org).
