Ms. Jeannett Martins has a bachelor's degree in Social Science with an emphasis in Elementary Education from the University of Northern Colorado in Greeley and a masters degree from the University of Gonzaga. Currently she is the Technology Coordinator for the school and has held that position for eleven years. As a technology coordinator, she is responsible for teaching students from Kindergarten through the Fifth Grade computer classes. Besides teaching, she is also responsible for maintaining the network, troubleshooting the equipment, overseeing the technology budget, the purchases of the technological equipment, and staff training.

Last Week's Speaker
DG Lisa Foster

Last week, DG Lisa visited our Board and our club and was our guest speaker. Lisa shared her personal life, struggles and triumphs, and her passion for Rotary. Lisa's passions are literacy, education and peace in the world. Her goals are right in line with the RI goals for this year. Lisa gave us a taste of the speakers we will be able to hear from during the District Conference on September 25-27 at the Sheraton Waikiki. This is the first time we will be having a fall conference. We will be looking forward on the year with clubs being able to network and partner on projects both in Hawaii and internationally.

We will have the privilege of having RI General Secretary, Ed Futa as the RI President's representative at the Conference. Ed has been the RI General Secretary since 2000 and is a member of the Rotary Club of East Honolulu and is DG Lisa's sponsor. There are many great things to look forward to this Rotary year and both RI President John Kenny and DG Lisa Foster have set the pace and have reminded us that the Future of Rotary is in our hands.
