IT Kauai

Mark Gregory & Steve Massaro

IT Kauai shared information regarding the new Windows 7. As our fellow Rotarian Bill Heil stated, "it is great to see Windows guys excited again." Mark Gregory and Steve Massaro are definitely excited about Windows 7.

Basically, Microsoft has started from scratch and built a better operating system. It is not based on Vista.

There are a lot of great improvements including the way you can multitask. Windows 7 allows you to have several programs going at once without a problem. It makes better use of memory and processes to allow for multiple functions to run at the same time in a much more efficient manner. There are other great improvements with encryption, back up and many other features.

Our very own President, Tricia Yamashita, turned 40 this year on October 13th. We were able to celebrate her birthday with some cake for breakfast at our meeting, which happened to be on her birthday and she still showed up!

The Four-Way Test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

HAVE FUN!!

Guest Rick Klein of New Orleans brought a flag to trade with our President, Tricia Yamashita on November 3rd

The Rotary Foundation

Did you know that 100% of your contribution to the Rotary Foundation is used for programs? I don't know of many other Foundations, and certainly none the size of The Rotary Foundation, that do not take an administrative percentage to run the organization. Many years ago, Rotary decided to invest contributions for 3 years and use the earnings to cover the administration. After the 3 years, the money is used for programs and projects under the Foundation. 50% of those funds come back to the District, a percentage of which is allocated to our club for District Simplified Grants and Matching Grants. These funds are for our projects. District Simplified Grants are used in our local community. We have worked closely with King Kaumualii Elementary School to fund things like books and the educational puppets. Make your contribution to The Rotary Foundation today!
