This Week's Speaker

**Sgt. Ezra Kanoho**

**Humanitarian of the Year Award Winner**

Nomination as submitted by Lt. Barriga - It is with great pride that I nominate Sergeant Ezra KANOHO for the Humanitarian Award. Sergeant Ezra KANOHO is a 22 year veteran of the Kauai Police Department and I have had the pleasure of working with him for a majority of that time. When I heard of this award the first person that came to mind was Sergeant Ezra KANOHO. In our line of work a lot of officers are involved in community meetings and events which are conducted during their work hours and their efforts may be considered humanitarian in nature, however, Sergeant Ezra KANOHO has gone above and beyond the call of duty when it comes to community service. He has volunteered countless hours of his personal time toward the betterment of the Kauai community through his unselfish and relentless commitment to persons and organizations in need. He is not the type of person who seeks recognition for his efforts and therefore you normally won't hear about his efforts and accomplishments. I honestly believe there is not any one organization on this island that he has not volunteered his time to in all his years as a police officer. Sergeant Ezra KANOHO is a true professional and role model for all police officers who prides himself on honor, respect and integrity. He is a dedicated philanthropist who has a sincere concern for human welfare and is consistently vigilant in his efforts to enhance the quality of life for all on Kauai. Please help me to honor Sergeant Ezra KANOHO for all of the unselfish service he has provided for the Kauai community.

 Kauai Community College  
 Culinary Arts Program

Chef Martina shared information regarding the KCC Culinary Arts program. The students go through a very rigorous program at the college. The instructors have worked very hard to make the program what it is today and the prepare the students with "industry standard" skills, not just book knowledge or institutional skills.

The program offers practical training with the students operating the fine dining room during various parts of the program. Students also provide many hours of community service effort providing the labor for events like the "Range to Table" event and baking the pumpkin dessert for the Salvation Army's Thanksgiving Luncheon. The students learn valuable skills while providing much needed services in the community. It is a great program and the majority of the students find employment immediately following graduation if not before.
