## **What is MORE?**

MORE (Maui Outdoor Rotaract Experience) is an international awareness and education program modeled after RARE (Rustic Alaskan Rotaract Experience), which was created by John Pile, Jr., a Rotaractor of the Rotaract Club of Aurora Borealis at the time, but now Rotarian of the Rotary Club of Fairbanks Golden Hearts. The objective of MORE is to create an opportunity for international understanding through service and adventure.

10 Rotaractors from around the world will be selected to participate in a week-long adventure on Maui that will include, island adventures, Native Hawaiian cultural activities, exchanging of the cultures of the participants, learning how to live like a local and much, much MORE!

## **How do I know if I qualify for MORE?**

If you are a current Rotaractor that has an open mind, the willingness to share your culture and up for the greatest Maui adventure of your life, you can apply!

## **When will I know if I was chosen for MORE?**

Applications are due by Saturday, December 1, 2007. Applicants will be notified by Sunday, January 8, 2008 whether or not they were chosen for MORE. Upon selection of the 10 MORE participants, further information will be provided for the planning of your trip to Maui!

We will choose two alternates that will take the place of any selected applicant that is, for some reason, not able to participate in MORE.

## **What are the costs of participating in MORE?**

The Rotaract Club of Maui Community College and the Rotary clubs on Maui will work hard to keep the costs to a minimum, but there's a price to live in paradise...

Registration is only \$500 USD. The registration cost covers lodging, most food, activities and local travel expenses during all 6 days of MORE.

You are responsible for your travel costs to and from Kahului, Maui, Hawai'i (Airport code: OGG). If you need help with the cost of travel, we suggest you contact your local Rotary clubs and consider fundraisers for assistance.
